Making a complaint

Foreword

The Board of Governors together with the Principal set the direction and tone of the school in all that they do and are committed to working with parents in the best interests of their child's education.

At Rosstulla School we take complaints very seriously. We have the best interests of all our pupils and their families at the centre of all we do. We place a high value on parental involvement in the education of our students and feel it is imperative that we work in partnership with parents and carers. In this regard, we encourage anyone with a concern to speak to us as soon as possible.

Raising a Concern

If concerns are dealt with at an early stage, then they are more likely to be resolved and there is no unnecessary dissatisfaction.

Many issues can be addressed simply by talking to the relevant staff in school who will be happy to help. Open communication and regular engagement between the school staff and the wide range of users is vital to the effective management of the school.

If you have any issues, please talk to the teacher / departmental leader as soon as possible. Concerns about matters other than in the classroom should be raised with the Principal. We take all concerns seriously and make every effort to resolve matters as quickly as possible.

Staff can be contacted by telephone on 02890862743 or by general school e-mail info@rosstullass.newtownabbey.ni.sch.uk

Please refer to our Raising a Concern Policy in the first instance.

The school will not deal with anonymous complaints (except for those concerning child protection matters) and therefore these procedures do not provide for a resolution of anonymous complaints.

Aims

When dealing with complaints the school will;

- encourage resolution of all concerns as quickly as possible
- provide timely responses to concerns and complaints
- keep you informed of progress
- ensure a full and fair investigation of your complaint where appropriate
- have due regard for the rights and responsibilities of all parties involved
- respect confidentiality
- fully address complaints and provide an effective response
- take appropriate action to rectify the issue and prevent it happening again where appropriate
- be responsive to learning from outcomes which will inform and improve practice within the school.

A copy of this Procedure is available on the school's website or is available from the school on request.
