

Rosstulla School
Health & Safety Policy
‘Together Towards Tomorrow
Agreed by Governing Body June 2017. To be Reviewed June 2020.

Objective

The objective of this policy is to ensure, so far as is “reasonably practicable” , that no person is placed in a situation where injury or ill health may be caused as a result of the school and that all such risks are assessed and appropriately controlled.

Rationale

The health and safety of all pupils, staff and visitors to the premises and grounds of Rosstulla School remains our top priority. This policy has been developed and adopted by the governors with reference to the advice and procedures contained in the Health and Safety Policy of the former North-Eastern Education and Library Board (August 2004) now Education Authority (EA) North Eastern Region (NER).

Rosstulla recognises and accepts its responsibility for health and safety as an employer, and in particular the duties laid down in:

- Article 4 (Employers Duties) of the Health & Safety at Work (Northern Ireland) Order 1978;
- Articles 5 and 6 of that Order in respect to persons other than its employees: and
- Article 88 of the Education and Libraries (Northern Ireland) Order 1986.

Where reasonably practicable the school will pay particular attention to the provision and maintenance of:

- a safe place of work, safe access to it and safe egress from it;
- plant, equipment and systems of work that are safe;
- safe arrangements for the use, handling, storage and transport of articles and substances;
- sufficient information, instruction, training and supervision to enable all employees to avoid risk and contribute positively to health and safety at work;
- a healthy working environment; and
- adequate welfare facilities.

So far as is reasonably practicable, we will provide and maintain up-to-date information for all staff on the hazards and risks of substances, equipment and systems used at work including the recommendations of relevant risk assessments. The school will rely on EA to provide competent technical advice on safety and health matters and, where necessary, to assist in effecting improvements.

The school will co-operate fully with queries from staff representatives and recognised trade unions. It is mindful of its responsibility to consult with all members of staff on issues of health and safety.

Staff are reminded of their duties under Article 8 of the Health and Safety at Work (Northern Ireland) Order, 1978: to take reasonable care for their own safety and that of others.

The school has a Health and Safety Team to monitor and increase the effectiveness of its Health and Safety Policy. The team meets termly.
